

We held our first Village Plan Steering group meeting 30th May 2007.

Present: Barclay Dutson
Robin and Josephine Swanson

Apologies: Derek Miles

Brief summary:

- Acre Form: Barclay and Jackie will get this done asap. Make sure there is enough in the budget for printing and mailing shots and publicity.
- Flyer: Barclay will deliver 150 A4 Leaflets to Robin by June 2 for distribution to households, and will put a poster on the village noticeboards.
- School: Jo will consider leaflet distribution at the school, and generally raising interest there (before hols!)
- Email list: need to expand this, and to merge Jackie's with Robins.
- Web site: Barclay and Derek to review this and software. A new one would be a good basis for the plan. Kennettvillage.co.uk and kennetcams.co.uk are available: Which do you prefer?
- Plan software: we reviewed this, and it looks OK, although a bit clunky. Once familiar with it, it should save time.
- Pub: Barclay to see if we can get flyers there.
- Public meeting: possible in September (at school?), pre survey finalisation.
- Group members: Possible help from Anthony French and Margaret Watson

Next meet: 10e Dane Hill Road, June 28, 7.30pm

Thanks everyone!

Barclay Dutson
