
Kennett residents can win £100 prize

RESIDENTS of Kennett who have a few minutes to spare could be in with a chance of winning a cash prize.

A top prize of £100 is up for grabs to villagers who complete a questionnaire with questions on road safety, which is considered a main worry for people living in Kennett, as well as on other areas of public interest, such as schools.

“We need everyone’s input,” said vice chairman of Kennett parish council, Barclay Dutson. “We will have to bid for funding for new road safety measures and we must show that there is a real need and desire for change in Kennett.”

As a first part of the plan, a new website, www.kennettvillage.co.uk, has been produced.
